

In December 2017 Commitment Church of Lindenwold, NJ, through God's sovereign grace, inherited Crossroads Church who was enduring a very difficult season, to say the least.

Throughout 2018 we attempted a soft merge by retaining the Crossroads Church name and some of its nine year heritage. We now believe it's time to allow Crossroads, as we have known it, to come to an end on February 24, 2019. Finishing this chapter has not come easy nor without much sacrifice, personal and financial investment by all involved. Therefore, we would like to say, THANK YOU for your endurance and faithfulness to the Gospel and to God's people throughout the years!

Nevertheless, we further believe that our work in Wilmington, DE is not over. Therefore, we must first prayerfully and carefully move forward into a stage of rest and restoration. We will regroup at our base Campus in Lindenwold, NJ and continue to prayerfully and carefully prepare for a relaunch as Commitment Church of Wilmington, DE—this will be affectionally called our "Wilmington Campus".

Here's some of our possible next steps. You will notice that there are no "timelines". We've learned over the years that the best, most strategic and successful timeline in "Church Planting" is being sensitive to the leading of the Holy Spirit. So, our desire is to first provide you with the stages we sense God has given then trust His leading for the timing of each step.

- Rest and Restoration - This is vital in the overall physical, emotional and spiritual care of God's people.
- Regroup — This will allow us to continue leaning on each other for strength and encouragement while enjoying a life of fruitful service within the local Church.
- Recruit — This will allow us to establish and wait on God to send a team of Planters who are called to serve Wilmington, DE.
- ReFocus — This allows the future Church Planters to develop relationships while they personally prepare, pray and seek God's wisdom and plan for His Church and Wilmington, DE.
- Replant — This is when our Church Planters are sent to Wilmington, DE to see where God is moving, while opening doors to establish relationships and begin engaging the community through consistent weekly acts of service.
- Relaunch — This is when we start our launch which normally begins with a "Soft Launch" and culminates into a "Hard Launch". Here we are open to however God designs His Church for His Harvest!

Again, we would like to thank everyone involved in the history of the Gospel through Crossroads Church. We genuinely covet your prayers as we move into our transitional stages as Commitment Church of Wilmington, DE.
