

Engage Groups

Developing and Maintaining Genuine Relationships within Small Groups

Let's Engage

Purpose: We want to develop the giftedness within the Body, foster genuine relationships between God's people, while creating a pathway for engagement that will multiply the Gospel through all nations.

Here are (3) primary ways we accomplish our purpose:

- 1. Introduce “Engage Groups”** to the entire Body of Christ.
- 2. Inspire Facilitators & Hosts** organically by modeling the process; through detail training; and providing the opportunity to develop one's giftedness.
- 3. Invite Visitors & Seekers of Commitment** through a clear pathway of weekly engagement.

When do we engage?

Every “Engage Session”: This occurs every 2 months (see annual calendar)

Tuesday Nights: 6:30pm

Last Tuesday: Is assigned for our “Family Prayer Gatherings” where we encourage all Engage Groups to participate.

Who's invited?

Anyone who have not yet plugged into a local Engage Group.
